Hello? CAN YOU hear us?

Oh good, we got your attention! It's so hard to make sure parents get all the information they need when they're bombarded by emails, papers, calls, and everything from every angle! Because of that we want to make sure you're aware of your options for accessing information about your child's school--so you can see it how and when YOU are ready to!

Point your camera here for clickable links!

Here are the many ways we share information with our families:

EMAIL BLASTS

Our principal sends out weekly emails with important information about the week ahead. The PTA sends out periodic emails with important event information and flyers as well.

You should receive school and district emails after creating your Aeries account. If you are not familiar with Aeries, need assistance setting up an account, or you are still not receiving messages after setting up your Aeries account, please contact the school office.

You can sign up for Katherine PTA's email by visiting their website listed below.

TEXT MESSAGES

Our school sends out text message blasts with information, including reminders for early dismissal days, and other important calendar events. You can manage what types of messages you'll receive by installing the SVUSD app on your phone!

SVUSD APP

The School District has its own app! It's a great tool to track your child's progress in school, as well as set up how you are contacted for many things school related. (You'll still need to sign up for PTA emails separately.) It's free and easy to use, so please check it out!

TEACHER PICKED APPS

Some of our teachers prefer various apps to stay connected to their students' families. Apps like Remind, ClassDojo, and Seesaw may be used. Please check with your child's teacher to see if they use a specific app!

FACEBOOK, TWITTER & INSTAGRAM

Flyers, notifications and information are regularly posted on these pages, so please LIKE and FOLLOW us to receive the information!

This secure, private forum is a great place to ask general questions about the school and participate in conversations with fellow parents! (When requesting to join you will need to answer the security questions to verify your connection to our school.)
